**Report of Plantation of Sapling**

Continuing with its tradition of preserving environment and having eco-friendly activities, NSS cell of Priyadarshini Bhagwati College of Engineering conducted tree Plantation programme in online mode. Due to lockdown college is shut down for faculty and students, so NSS Cell organized Tree plantation activity in online mode. The programme was inaugurated at the hand of Dr. N.K. Choudhari , Principal, Dr.(Mrs) A.R. Chaudhri, Dean Academic , PBCOE. College provides the plant sapling to student and student plant the sapling at their own home. Student send the selfie of plantation in college NSS, following all protocols of Corona-19.

Trees are important, necessary and valuable to our very existence. It's not too hard to believe that without trees we humans would not exist on this beautiful planet. Unfortunately, our need for trees is more than ever. While science and technology has provided us with many comforts, the consequent urbanization and industrialization also has had some undesired side-effects, Global Warming being one of those. The NSS cell of Priyadarshini Bhagwati College of Engineering has identified this problem and has associated itself with this case. Thereby, the NSS conducts a plantation drive each year.

More than 50 saplings were planted in college and surrounding area of campus. Total 175 Students participated in Tree Plantation activity from all Departments (CSE/IT/EC/CIVIL/Mechanical). Mr. D.B.Khadse ,Incharge of NSS, Mr. P.Arekewar , Mr.T.R.Patil and Mr. R.Bhoyar. plantation drives to make their surrounding green.
