This means that it demands a good vocabulary and a strong command of English.</p> <p>Verbal reasoning tests assess your understanding and comprehension skills. You will be presented with a short passage of text which you'll be required to interpret before answering questions on. These are typically in the 'True, False, Cannot Say' multiple choice format, although there are a range of alternatives too.</p> <p>Prof P.M. Palkar, Incharge T & P ,the faculty coordinators members of T & P department work hard and motivate students for same.</p>
