3 Days Workshop on "L^AT_EX"

12-14th June, 2019

REPORT

The Internal Quality Assurance Cell (IQAC) of Priyadarshini Bhagwati College of Engineering has organized 3 Days Workshop on "L^AT_EX- A Document Typesetting Language" from 12th June, 2019 to 14th June, 2019. The workshop was inaugurated on 12th June, 2019 at the hands of Dr. N.K. Choudhari, Principal, PBCOE in presence of Dr.(Mrs.) A.R. Chaudhari, IQAC Coordinator, PBCOE and Dr. P.R. Bokde, HOD, EN Department and resource person for this workshop. Dr. P.R. Bokde emphasized on the need and importance of LaTeX to the faculties and students of technical institutes. He also presented introductory session during the inauguration programme.

Dr. (Mrs.) A.R. Chaudhari, being coordinator of IQAC of Priyadarshini Bhagwati College of Engineering briefed about the working of IQAC cell and motivation to arrange such type of workshop for improving the quality of documentation in technical institutes. She also requested and motivated other faculties to come forward and share their knowledge for the improvement of technical knowledge for the betterment of students.

Dr. N.K. Choudhari, Principal, PBCOE guided the faculties and

special thanks to Management of LTJSS for providing wonderful facilities and infrastructure for conducting such type of workshop. He also thanked Dr. P.R. Bokde for his initiative to take such wonderful workshop.

About 35 participants of various colleges have registered for this workshop. The list of participants with details is given in table 1. The resource person Dr. P.R. Bokde conducted practical hands-on-training on LaTeX for complete 3 days. The schedule for this workshop was as given in table 2. At the end of all sessions, online Evaluation Test was conducted. The result and its analysis is attached herewith this report. The feedback regarding this workshop was also taken from various faculties. The report and analysis of feedback is also attached herewith this report.

About College

Priyadarshini Bhagwati College of Engineering, Nagpur was established in 2007 and is among one of the fast growing technical institutes in the region. It is quite well equipped with all kinds of necessary infrastructure and dedicated, well qualified faculty. It is a new set up on 06 acres of land situated within the city of Nagpur - the orange city.

The technical institute, believes in providing the high quality technical education with a focus on ethical values. There is consistent effort to provide the technocrats having thorough technical knowledge along with social awareness.

WHAT IS COURSE OBJECTIVE ?

LATEX is an extremely powerful markup language for creating structured documents. It is particularly well suited for documents containing mathematics, but can be used for any document. Those whose publications involve a large number of mathematical equations often use LATEX rather than MS Word or some other word processing package. It is the standard writing tool for most research in the mathematical, physical and engineering sciences. Latex provides a facility for pdf output so that it is easy to share your research with other people who do not have LATEX installed. Remarkably, LATEX is freeware.

The main objective of the Workshop is to make aware the participants about LATEX. By the end of the workshop, the participants will be confident enough to typeset their documents using LATEX.

WHAT IS COURSE OUTCOME ?

The course enables the learner to :

- 1) understand the various commands for document type setting.
- 2) write technical papers very effectively which includes complex mathematical equations.
- 3) write technical project reports well formatted.
- 4) prepare technical presentations using BEAMER.

WHAT CERTIFICATION IS GIVEN?

A certificate of attendance and course completion certificate will be given to the successful participants after passing test which will be conducted at the end of workshop.

WHAT DOES THE COURSE COVER ?

- LaTeX Basics
- Formatting Documents
- Advanced topics of LaTeX
- Introduction to Beamer
- Project Report Writing
- Technical Paper Writing
- Graphics & Flowchart creation

Who Should Attend?

- Working Executives
- Data Analysts
- Developers
- Fresh Graduates
- Teachers
- Data Operators

WHAT is the course Structure?

Day-1

Introduction to LaTeX

1/2 Hour

- Why Latex ?

Basic Document Creation

2 Hour

- Creating basic document.
- Changing the class (document, article, report)
- Section, Subsection
- Chapter, Paragraph, Subparagraph
- Generating table of contents
- Starred version of commands
- Title creation

Formatting the document

2 Hour

- Special characters
- Dashes & Hyphens
- Spacing and Newline
- Footnote
- Formatting (Bold, Italics, Underline, Emphasize)
- Itemize and Enumerate
- Flushleft and Flushright
- Writing abstracts

Day-2

Advanced topics

3 Hour

- Tables
- Mathematics
- Equations
- Greek letters
- Equation Numbering
- Vectors

Day-3

Graphics

1 Hour

- Inserting image
- Giving caption and Label

Referencing

1 Hour

- Create references
- Bibliography

Introduction to BEAMER

3 Hour

- Brief introduction to BEAMER
- Creating Presentations using BeamerClass

Creating Project Thesis

2 Hour

- Creating title page for thesis
- Creating certificate of thesis
- Creating Acknowledgement
- Creating List of Tables
- Creating List of Figures
- Creating List of Abbreviations
- Creating Chapters of Thesis
- Creating Bibliography

Registration

The applicants may submit their duly filled registration form along with the registration fee in the prescribed form of a DD, drawn in favour of **PRINCIPAL, Priyadarshini Bhagwati College of Engineering** payable at **NAGPUR**.

The registration amount is Rs. 500/- for teachers and PG scholars from UGC/AICTE approved colleges and Rs. 700/- for participants from Industry and other organizations.

Last date of Registration : 10th June, 2019

Date of Workshop : 12th - 14th June, 2019

Contact Person : **Dr. Pramod R. Bokde** - 7755992555

How would be the grading done?

Grading would be done basis an End-Of-The-Course Examination and a Capstone Project with a split of 75% for End-Of-The-Course-Examination and 25% for the Capstone Project. Pass criterion would be a minimum of 50% for each of the above individual components. Overall pass aggregate also must be a minimum of 50%.

Who will be the faculty ?

Dr. Pramod R. Bokde

Dr. Pramod Bokde has done his Ph.D. from Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur in Electronics Engineering. He is presently working as a Head of Department of Electronics Engineering at Priyadarshini Bhagwati College of Engineering, Nagpur. He has 18 years of Experience in Teaching. He has published more than 15 papers in various International and National Journals and participated in various National and International Conferences . He has delivered seminars on various topics in different colleges under Nagpur University.
