Prof. S. A. Bhande - Organizing Secretary  
Prof S. P. Daf - Organizing Secretary
7. **Number of Participants** : 150
8. **Objective**

The main objective of conference is to provide common national platform to discuss the probable solution to various challenges faced by farmers. This objective will be achieved through interactive sessions amongst researcher, academicians and entrepreneurs. The various issues discussed will focus mainly on themes like Climate/ weather prediction through Artificial Intelligence, Use of renewable energy in Agriculture, Automation of Mechanization in Agriculture Sector and Entrepreneurship in the Agricultural Sector. This conference will provide an opportunity for participants to share their ideas and strategies on innovation and recent development in technology in the field of agriculture and will also open new door for interdisciplinary research.

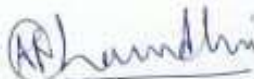

## 9. Outcome

Senior experts in several fields invited to prepare state-of-the-art discussion papers to address the above objectives. The programme was designed in such a way as to engage all the participants in discussions on each of the papers and to develop appropriate strategies on conference topics.
