Invitation Letter

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing to invite you to deliver a seminar on **Seminar On Blockchain And Future Of Data** for III & V Sem B Tech CSE students. The Event is Scheduled to be held on **19 Sept 2022 at 3.00pm** at our campus.

Your extensive knowledge in the field of Blockchain make you an ideal candidate to enlighten our audience. We believe that your seminar will provide valuable insights and enhance the learning experience of our attendees.

We look forward to hearing from you and hope that you will be able to accept our invitation. Your participation will undoubtedly add value to our event and benefit the students.

Thank you for considering our invitation.

Sincerely,

(Dr. N. K. Choudhari)

Thanks Letter

Dear Sir,

I am writing to express my gratitude for delivering an informative and inspiring seminar on **Knowledge Enrichment Program** for V Sem B Tech CSE students on dated 23th Sept 2022. Your expertise and knowledge in the field made the seminar an incredible learning experience for everyone who attended.

Your presentation style was engaging and easy to follow, making the material accessible to all levels of understanding. Your insights and perspective added an extra layer of depth to the seminar and made it all the more enjoyable.

Once again, thank you for taking the time to share your knowledge and expertise with us. I hope to have the opportunity to attend more seminars by you in the future.

Sincerely,

(Dr. N. K. Choudhari)

“INDUSTRY ACADEMIA & ENTREPRENEURSHIP CONCLAVE - 2022”

IAE Conclave-1st Edition

Date: 28th -29th September 2022

Organized By:

Industry Institute Interaction Cell &
Entrepreneurship Development Cell
Priyadarshini Bhagwati College of
Engineering
Harpur Nagar, Umred Road, Nagpur-440024

ABOUT THE COLLEGE:

Priyadarshini Bhagwati College of Engineering was established in the academic year 2007 and is one among the fast-growing technical institute in the region with a view to impart high quality technical education to the engineering aspirants. The college is set up on 06 acres land situated well within the heart of Nagpur city at harpur nagar on the main umred road, at a distance of only 5 - 6 kms from railway station and 2.5 kms from bus stand. It is well connected by rail, road and air routes. The college is well equipped with all kind of necessary infrastructure and qualified and dedicated faculties. This technical institute believes in providing high quality technical education with a focus on ethical values. There is consistent effort to provide the technocrats thorough technical knowledge along with social awareness.

ABOUT THE CONCLAVE:

In order to bring Industry, Academia & Entrepreneur together on the same platform and to discuss the issue for better understanding, PBCOE, Nagpur is organising a conclave for Academia Industry & Entrepreneur interface. Priyadarshini Bhagwati College of Engineering, Nagpur Maharashtra invites all the students, research scholars and youth Entrepreneur across the globe to the “Industry Academia & Entrepreneurship Conclave - 2022” (IAE Conclave-1st Edition) during 28th -29th September 2022.

OBJECTIVE:

The main objective of Conclave is to create an interface between Industries and Academia (Researchers and Students) for interaction, transfer of knowledge, experience and technology. It will also help to understand the Issues and Challenges faced by the industry, develop feasible workable solutions and enhance the employability of the students by developing a bridge between the basic needs of industries and expertise of academics. It will identify the mentors for promoting and nurturing entrepreneurs and also address the problems of entrepreneurs and Research and Development needs. This platform will Apprise Infrastructural and research facilities provided by various government institutions.

CHIEF PATRONS

Seminar Report on "Drone Technology"

1. Event Title : Seminar on "Drone Technology"
2. Event Date and time : 18th January 2023 03:00 pm
3. Event venue : Auditorium Civil Building (First Floor)
4. Event resource person : Mr. Ankit Bhagat Director, Aeroflutter Tech Labs, Nagpur
5. Name of Event Coordinator : Dr. S.P.Daf , Robotics Club Incharge
6. Number of students : 200
7. Objective : To provide an overview of the latest developments in drone technology and highlight the potential applications and opportunities of this technology in various industries.
8. Outcome : "Drone Technology" organized by the Robotics Club was a highly informative and engaging event. Mr. Bhagat's expertise and experience in the field of drone technology was evident throughout the presentation, and the case studies he presented provided valuable insights into the practical applications of this technology. The seminar provided valuable insights for students, interested in the field of drone technology and highlighted the potential opportunities and challenges of this exciting and rapidly evolving technology.

Seminar Report

The robotics club of Priyadarshini Bhagwati College of Engineering, Nagpur organized seminar on “**Drone Technology**” on dated 18th January 2023. The seminar was delivered by Mr. Ankit Bhagat Director, Aeroflutter Tech Labs, Nagpur.. Near about 200 first year students attended the seminar.

The seminar aimed to provide an overview of the latest developments in drone technology and highlight the potential applications and opportunities of this technology in various industries. During the seminar, Mr. Bhagat provided an overview of drone technology, including the different types of drones, their components, and their applications. He discussed the advancements in drone technology, including the use of artificial intelligence, machine learning, and advanced sensors to improve the accuracy and precision of drone operations. he also highlighted the potential applications of drone technology in various industries, including agriculture, mining, construction, transportation, and logistics. He explained how drones are being used for crop monitoring, land surveying, 3D mapping, surveillance, and delivery of goods and packages. To illustrate the practical applications of drone technology, Mr. Bhagat presented a number of case studies, including the use of drones for disaster management and response, pipeline inspection, and wildlife conservation. He also discussed the challenges associated with operating drones in these environments and the importance of safety and security measures. The seminar also covered the regulatory environment surrounding drone technology, including the rules and regulations for operating drones in different countries. Mr. Bhagat emphasized the need for safety and security measures when operating drones, including the use of geofencing and obstacle avoidance technologies.

The seminar was organized under the guidance of Hon’ble Principal Dr.N.K.Choudhari, Dean Academics Dr. (Mrs.) A.R.Chaudhari and all the HOD from various department. Students have worked hard for the success of the program. The program was coordinated by Prof. S.P.Daf Robotics cell Incharge.

Seminar Report on "Cloud Technology & Information Security and It's Future Opportunities"

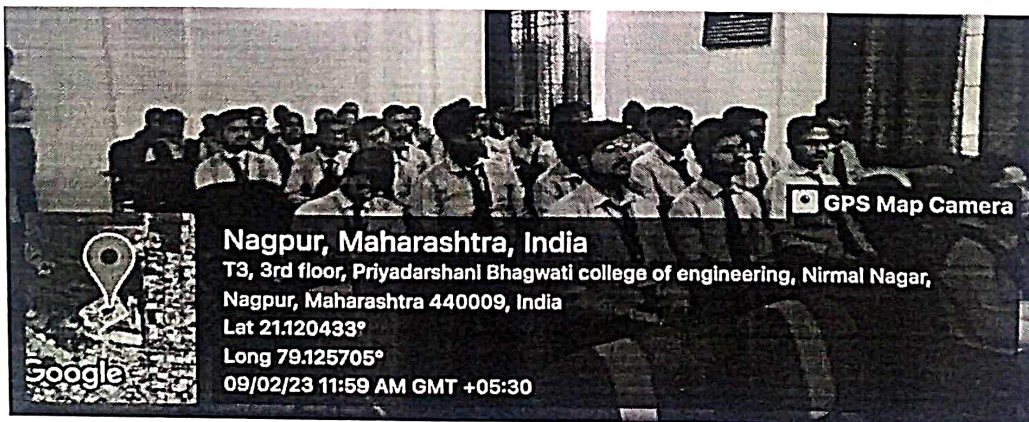

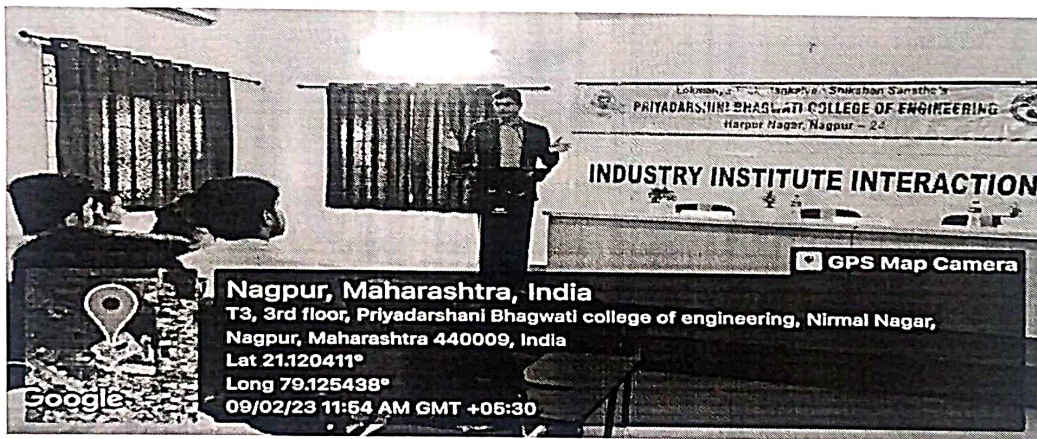

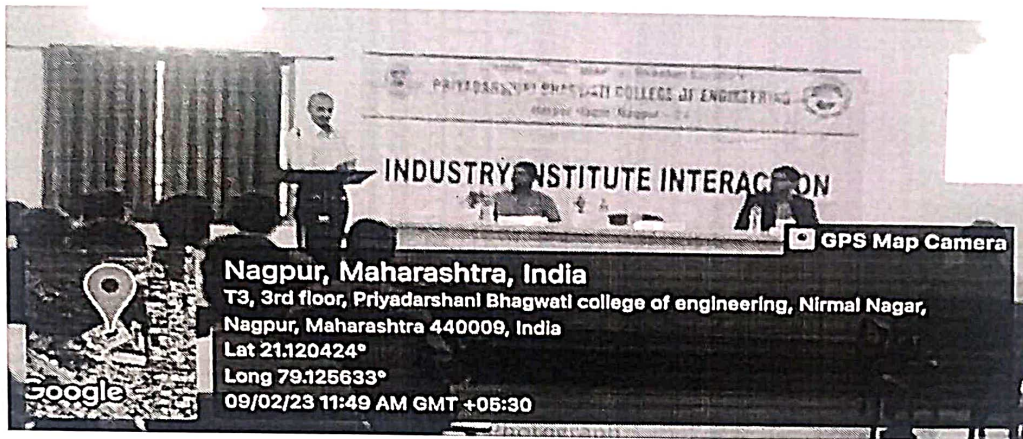

1. Event Title : Seminar on "Cloud Technology & Information Security and It's Future Opportunities"
2. Event Date and time : 9th February 2023 11:30 am
3. Event venue : Seminar Hall (First Floor)
4. Event resource person : Mr. Anil Tatode, Training office,
Department of Robotics & Cloud Technology, RTMNU, Nagpur.
5. Name of Event Coordinator : Dr. S.P.Daf , III Cell Incharge
6. Number of students : 110
7. Objective : To acquire the knowledge by students to reduce the gap between It industry and academic.
8. Outcome : Skill development is an important driver for Students to achieve their goal. By this seminar students are well aware about Cloud Technology & Information Security and It's Future Opportunities skill required in industry.

Seminar Report

The Industry Institute Interaction (III) Cell of Priyadarshini Bhagwati College of Engineering, Nagpur organized seminar on "**Cloud Technology & Information Security and It's Future Opportunities**" on dated 9th February 2023 . The seminar was delivered by Mr. Anil Tatode, Training office, Department of Robotics & Cloud Technology, RTMNU, Nagpur. Near about 100 Final year students from Computer Science Engineering & Information Technology department attended the seminar. The speaker Mr. Anil Tatode addressing the students about Cloud Technology & Information Security and It's Future Opportunities the skill that are required in IT industry and how these skill are to be acquire to interface the industry. On this occasion Principal Dr. N. K. Choudhari express his view on importance these emerging IT trend and **it's Future Opportunities** for the students.

The seminar was organized under the guidance of Hon'ble Principal Dr.N.K.Choudhari, Dean Academics Dr. (Mrs.) A.R.Choudhari and all the HOD from various department. Students have worked hard for the success of the program. The program was coordinated by Prof. S.P.Daf III Cell Incharge.

Academic session 2022-23

Seminar Report on "Robotics & Automation and its Future Opportunities"

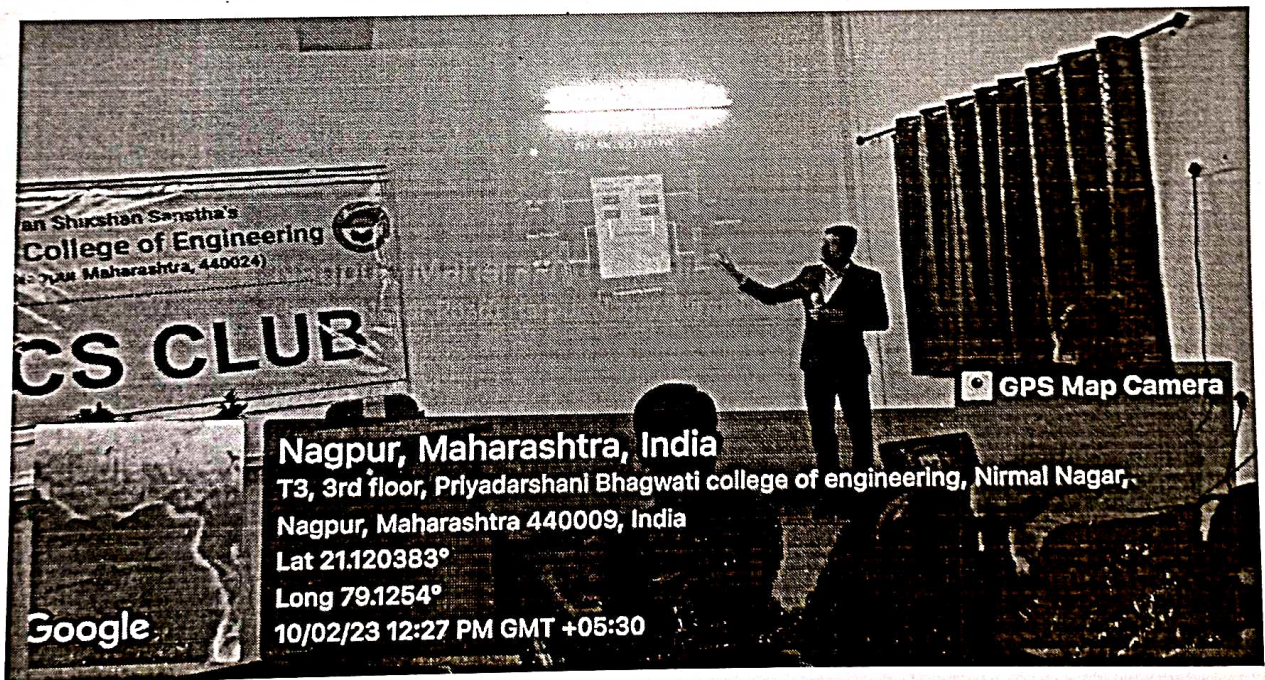

1. Event Title : Seminar on "Robotics & Automation and its Future Opportunities"
2. Event Date and time : 10th February 2023 11:30 am
3. Event venue : Seminar Hall (First Floor)
4. Event resource person : Mr. Anil Tatode, Training office,
Department of Robotics & Cloud Technology, RTMNU, Nagpur.
5. Name of Event Coordinator : Dr. S.P.Daf, Robotics Club Incharge
6. Number of students : 60
7. Objective : To educate and inform them about the latest trends and advancements in the field of robotics and automation, and to highlight the potential benefits and future prospects of these technologies.
8. Outcome : Improved understanding of the applications and benefits of robotics and automation in various industries. Awareness of the latest developments in the field of robotics and automation, and their impact on the job market and future career opportunities. Exposure to the challenges and limitations of these technologies and an understanding of how they can be overcome. Identification of potential research opportunities and areas for innovation in the field of robotics and automation. Enhanced knowledge and skills in the field of robotics and automation, including programming and design skills

Seminar Report

The robotics club of Priyadarshini Bhagwati College of Engineering, Nagpur organized seminar on “**Robotics and Automation and its future Opportunities**” on dated 10th February 2023. The seminar was delivered by Mr. Anil Tatode, Training office, Department of Robotics & Cloud Technology, RTMNU, Nagpur. Near about 60 Final year students from Mechanical Engineering & Electronics and communication Engineering department attended the seminar.

Mr. Tatode began his address by highlighting the rapid advancements that have taken place in the field of robotics and automation in recent years. He emphasized that these technological innovations have led to a significant increase in productivity, efficiency, and safety in various industries, including manufacturing, healthcare, and transportation. Mr. Tatode also discussed the various types of robots that are being used in different industries, including industrial robots, service robots, and medical robots. He explained how these robots are designed to perform specific tasks and how they are helping to revolutionize the way work is done in various industries. The future prospects of robotics and automation were a major focus of Mr. Tatode's address. He predicted that the use of robotics and automation will continue to grow rapidly in the coming years, as more and more industries recognize the benefits that these technologies can offer. He also emphasized that the development of artificial intelligence and machine learning will play a critical role in the advancement of robotics and automation, as these technologies will enable robots to learn and adapt to their environments.

The seminar was organized under the guidance of Hon'ble Principal Dr.N.K.Choudhari, Dean Academics Dr. (Mrs.) A.R.Chaudhari and all the HOD from various department. Students have worked hard for the success of the program. The program was coordinated by Prof. S.P.Daf Robotics cell Incharge.

Thanks Letter

Dear Sir,

I am writing to express my gratitude for delivering an informative and inspiring seminar on "**Youth Entrepreneurship Development**" for CSE students on dated **16th March 2023**. Your expertise and knowledge in the field made the seminar an incredible learning experience for everyone who attended.

Your delivery style was engaging and easy to follow, making the issues understandable to all. Your insights and perspective added an extra layer of depth to the seminar and made it all the more enjoyable.

Once again, thank you for taking the time to share your knowledge and expertise with us. I hope to have the opportunity to attend more seminars by you in the future.

Sincerely,

(Dr. N. K. Choudhari)

Thanks Letter

I am writing to express my sincere appreciation for delivering the seminar on patents awareness at our Institute on 11/4/2023 for the students of B. Tech CSE. Your expertise in the subject matter and engaging presentation style made the seminar informative and enjoyable for all attendees.

Your comprehensive coverage of the topic, including the basics of patents, the patent application process, and the importance of intellectual property protection, was enlightening.

I also appreciated the opportunity to ask questions and engage in discussions during the seminar. Your patience and willingness to provide detailed explanations were commendable, and it further enhanced the overall learning experience.

I am grateful for your dedication to spreading awareness about patents and intellectual property rights.

Once again, thank you for sharing your knowledge and expertise with us. I look forward to applying the insights gained from the seminar in future endeavors.

Thanks Letter

Dear Madam,

I am writing to express my gratitude for delivering an informative and inspiring seminar on "How to write a research paper in SCI/Scopus/UGC journals" for CSE faculties on dated 18th May 2023. Your expertise and knowledge in the field made the seminar an incredible learning experience for everyone who attended.

Your delivery style was engaging and easy to follow, making the issues understandable to all. Your insights and perspective added an extra layer of depth to the seminar and made it all the more enjoyable.

Once again, thank you for taking the time to share your knowledge and expertise with us. I hope to have the opportunity to attend more seminars by you in the future.

Sincerely,

(Dr. N. K. Choudhari)

Invitation Letter

Dear Madam,

I hope this letter finds you in good health and high spirits. I am writing to invite you to deliver a seminar on "How to Write Research paper in Scopus/UGC/SCI Journals" for CSE faculties. The Event is scheduled to be held on 18 May 2023 at 3.00 pm at our campus.

Your extensive knowledge about publications make you an ideal candidate to enlighten our faculties. We believe that your seminar will provide valuable insights and enhance the learning experience of our attendees.

We look forward to hearing from you and hope that you will be able to accept our invitation. Your participation will undoubtedly add value to our event and benefit the students.

Thank you for considering our invitation.

Sincerely,

f

Biography

Dr Urmila Shrawankar

URL :<https://sites.google.com/view/urmillaa>

email : urmillaa@gmail.com, urmilashrawankar@acm.org

Urmila Shrawankar received PhD degree in Computer Sci & Engg from SGB Amravati University and M.Tech. Degree in Computer Sci & Engg from RTM Nagpur University. Her Area of interest includes High performance Computing, Advanced Operating Systems, Distributed and Parallel Computing, Cloud Computing, Real Time Computing, Algorithms, Assistive Technology etc. She is a recipient of Best Teacher Award, 2 Best MTech Thesis awards, 4 Best paper awards. She has appreciated Excelled as a Coordinator in Direct-to-Student (D2S), Quality Enhancement in Engineering Education (QEEE) program by IIT, Madras. She is author of two books, three books editor, twenty one book chapters and around 200 research papers in International Journals and Conferences of high repute including, Elsevier, Springer, WILEY, Taylor & Francis, Inderscience, IGI Global, HELIX, IEEE etc. She has one granted patent and 15 published patents these are under examination and 02 filed patents. Her biography was selected and published in the Marquis Who's Who in the World. She received two RGSTC research grant, one International travel grant award from DST, Govt. of India to attend and present her research work worldwide in Springer conference at Manchester, UK, Yr 2010 and also awarded UGC Minor Project Grant and IIT Bombay's, IEEE TENSYP-2022 Conference Paper Registration fees. She is serving many journals as editorial board member and as member, international advisory board. Moreover, she is serving as reviewer for many refereed Journals and reputed Conferences. She participated in many International conferences worldwide as a Core Organizing Committee member, Technical Program Committee member, Special Session Chair and Session Chair. Dr Urmila is member of IEEE (SM), ACM(SM), CSI (LM), ISTE (LM), IE (LM), IAENG, etc. Under her guidance 57 UG (BE) Project Groups, 72 (PG) MTech Project Scholars and one ME by Research Scholar completed their projects. 03 PhD Research Scholars have completed research work and 06 are working under her supervision. Her Series of Video Lecturers are available at UGC's Gyandarshan Doordarshan National Channel.

At present, Dr. Urmila is working as Professor, Department of Computer Science and Engineering, G H Rasoni College of Engineering, affiliated to RTM Nagpur University Nagpur (MS), India. She has handled many administrative positions during her tenure. She is also associated with different universities as a member of various committees like R & D Committee, Board of Research, Research Recognition Committee, Special Task Committee, Board of Studies, Faculty Selection Committee, Affiliation Committee, Technical Committee, preparation of Question Bank Committee, Curriculum development Committee and many more.

Invitation Letter

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing to invite you to deliver a seminar on "Startup Accelerate" for IV Sem CSE students. The Event is scheduled to be held on 24 May 2023 at 10.30 am at our campus.

Your extensive knowledge about entrepreneurship make you an ideal candidate to enlighten our students. We believe that your seminar will provide valuable insights and enhance the learning experience of our attendees.

We look forward to hearing from you and hope that you will be able to accept our invitation. Your participation will undoubtedly add value to our event and benefit the students.

Thank you for considering our invitation.

Sincerely,

(Dr. N. K. Choudhari)

Thanks Letter

Dear Sir,

I am writing to express my gratitude for delivering an informative and inspiring seminar on "Startup Accelerate" for CSE students on dated 24th May 2023. Your expertise and knowledge in the field made the seminar an incredible learning experience for everyone who attended.

Your delivery style was engaging and easy to follow, making the issues understandable to all. Your insights and perspective added an extra layer of depth to the seminar and made it all the more enjoyable.

Once again, thank you for taking the time to share your knowledge and expertise with us. I hope to have the opportunity to attend more seminars by you in the future.

Sincerely,

(Dr. N. K. Choudhari)

ENGINEERING, NAGPUR**

*In recognition of active participation in the **National Intellectual Property Awareness Mission (NIPAM)** launched by the Government of India on the occasion of the 75th anniversary of independence under the banner "Azadi Ka Amrit Mahotsav" to create widespread awareness on Intellectual Property Rights (IPR). The exceptional contribution in successfully organizing the awareness programme on **May 29, 2023** in association with **RGNIPM, Nagpur** by providing your valuable time and support is highly appreciated.*

Solicit your continued support for outreach of IPR far and wide.
