Content Beyond Syllabus

Title of the Activity: Content Beyond Syllabus (Professional Ethics and Plagiarism Prevention in Technical Writing)

Date/Time/Venue: 20/03/2024 / 11:30 AM / 8TH Sem Classroom

Name of the Faculty: Ms S. S. Dhanvijay

Resources used: PowerPoint Presentation

Students Participants 42 Students

Relevance to POs, PSOs: POs: PO1, PO8, PO10, PO12, PSO1

Brief Description of Activity: The objective of the lecture was to provide students with practical knowledge about ethical research practices beyond the academic curriculum. The lecture focused on the importance of original contribution in final year projects and the legal implications of intellectual property theft. Key aspects such as citation styles (IEEE), paraphrasing techniques, and the use of similarity-detection tools like Turnitin or Urkund were discussed in detail. The session helped students understand the necessity of maintaining academic integrity while preparing their final project reports and research papers.

Outcome: Students understood the key differences between collaboration and plagiarism. The session enhanced their ability to relate theoretical ethics with real-world engineering documentation and improved their awareness of professional standards required in the global industry.
