List of Activities Organized

Sr.No.	Name of Activity	Date	Organized by
1	World Environment Day	05/06/2023	NSS Cell, PBCOE
2	Yoga Day	21/06/2023	NSS Cell, PBCOE
3	Tree Plantation	07/07/2023	NSS Cell, PBCOE
4	Meri Maati Mera Desh Abhiyaan	09/08/2023	NSS Cell, PBCOE
5	Vrukshadindi	18/08/2023	NSS CELL, RTMNU
6	Swachha Bharat Abhiyaan	01/10/2023	NSS CELL, RTMNU
7	Donate for Education activity	23/10/2023	NSS Cell, PBCOE
8	Traffic Rule Awareness	06/02/2024	NSS Cell, PBCOE
9	Blood Donation Camp	15/03/2024	NSS Cell, PBCOE
10	Village Survey (Village Rajani Dist Bhandara)	19/3/2024	NSS Cell, PBCOE
11	Enrichment Program for Government School Students (Village Rajani Dist Bhandara)	20/3/2024	NSS Cell, PBCOE

PRIYADARSHINI BHAGWATI COLLEGE OF ENGINEERING, NAGPUR

National Service Scheme Academic Session 2023-24 NSS CELL ACTIVITY

Activity Name	World Environment Day: Tree Plantation
NSS Coordinator	Prof. D.B. Khadse
NSS Co-coordinator	Prof. R. Bhoyar, Prof.S. Raut, Prof.Y. Malode
Date	05-06-2023
Time	12:30 pm to 01.30 pm
Activity Organized by	NSS CELL, RTM Nagpur University
Objective	To Spread the awareness and educate the people for plantation the trees & about protection the environment.
Summary of NSS Activity	<p>Every Year 5th June is celebrated as World Environment Day, the three things no one can't live without are Oxygen, Water and Food. No one can live without Water. People are ready to spend 20 rupees for water bottle, because we know it's not easy to get pure or clean water. People cannot get clean water easily. Here are some water facts to remember:</p> <ul style="list-style-type: none">• Less than 1% of the earth's water is suitable for drinking• More than a billion people around the globe survive on just over 1 gallon (4 liters) of water per day• A person can only live without water for approximately one wee <p>To address this problem, NSS Cell of Priyadarshini Bhagwati College of Engineering has been organized Tree Planation on the occasion of World Environment Day. The Principal of Institute, Dr.N.K.Choudhari has appreciated efforts of NSS Cell and addressed all students of college to give a special pledge on the efficient use and conversion of water.</p>

NSS CELL ACTIVITY

Activity Name	International Yoga Day
NSS Coordinator	Prof. D.B. Khadse
NSS Faculty Member	Prof. R. Bhoyar, Prof.S. Raut, Prof.Y. Malode
Date	21-06-2023
Time	7.30 am to 8.30 am
Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>National Service Scheme unit of Priyadarshini Bhagwati College of Engineering celebrated International Yoga Day in college. To create awareness among people and youngsters, yoga practicing sessions arranged for faculties and students in college campus. On this Occasion Ms. Akansa Sawai, Yoga, Student final year shared their valuable guidance and given training about Yoga to students and faculties. Students and teachers practiced yoga for 1.00 hrs.</p> <p>Event was organized by Prof. D.B. Khadse, NSS Programme officer. On this occasion faculty members Prof.R. Bhoyar, Pro.A. Burile, Prof.K. Madurwar were present. NSS Student members Mr. Nayan Mungole, Mr Nakul Pimplapure, Mr Shreya Thaware, Mr Anura Golhar, Mr. Harshal Tayde and other NSS Student Volunteers participated in event actively.</p> <p>The Principal of Institute, Dr. N.K. Choudhari has appreciated efforts of NSS Cell and expressed that “Yoga is the best medicine for maintaining both mental and physical health. It can cure many diseases that are not curable only by consuming modern medicines.</p>

NSS CELL ACTIVITY

Activity Name	Swachh Bharat Abhiyaan
NSS Coordinator	Prof. D.B.Khadse
NSS Faculty Member	Prof. R. Bhojar, Prof.S. Raut, Prof.Y. Malode
Date	01-10-2023
Time	09.00 am to 12.00 pm
Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>Mahatma Gandhi had rightly said, "Sanitation is more important than Independence". He was aware of the pathetic situation of Indian rural people at that time and the dream of a clean India where he emphasized on cleanliness and sanitation as an integral part of living. India that is Bharat is an ancient civilization. It is a pious nation. India is consisting of people of various faiths; Hindus, Muslims, Christians, Shikhs, Parsis, Jains etc, and they follow their faiths very devotedly. But it is a sad reality of our country that all the cleanliness and piousness is only confined to religious activities or kitchen. We Indians are not concerned about the filth all around us everywhere; anywhere one looks large mounds of dirt will be found.</p> <p>To address this problem, NSS Cell of RTMNU organized Cleanliness Drive in association with Nagpur Corporation. program is inaugurated at the hand of Vice Chancellor Dr. Subash Choudhari The main purpose of this program was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, students from all the branches took active participation in drive. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean area of Shukrawari lake. Mr. Nayan Mungole, Ms.Khemlata Bisen, Ms. Ayushi Sarkar , Mr. Harshal Bagde,Mr. Aryan Thakur students of PBCOE participated in event.</p> <p>The Principal of Institute, Dr.N.K. Choudhari has appreciated efforts of NSS Cell and addressed the all students of college to maintain cleanliness in campus as well as outside surrounding areas.</p>

NSS CELL ACTIVITY

Activity Name	Road Safety Awareness
Faculty Coordinator	Mr. D.B.Khadse
Date	06-02-2024
Time	12:30 pm to 1.30 pm
Activity Organized by	NSS Cell
Objective	Raising the public awareness about traffic rules.
Summary of Activity	<p>Road safety is a safety measure to reduce the risk of road accidents and road side injury because of the mistakes of people while driving on the road. We cannot count the daily road side accidents and death of people because of the driving mistakes and lack of road traffic rules followers. It is found that most of the hospitalization cases and leading cause of death are because of the road trauma. Road safety is very necessary while being on the road and must know by all because road accidents are the leading cause of death.</p> <p>To address this issue NSS Cell organize "Road safety Awareness" activity to spread awareness of traffic rules among the society. Students from all the department made poster on road safety and conduct this activity at various square in the city.</p> <p>Head of department and Principal of college appreciate the effort taken by student and encourage them to participate in more such kind activity.</p>

NSS CELL ACTIVITY

Activity Name	Village Survey (Village Rajani Dist Bhandara)
NSS Coordinator	Prof. D.B.Khadse
NSS Faculty Member	Prof.R.Bhojar, Prof.Y.Malode, Ms.S.Raut
Date	19-03-2024
Time	11.00 am to 4.00 pm
No. of student attended	40
Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>NSS Cell of Priyadarshini Bhagwati college of Engineering conducted one day activity "Village Survey "at Rajani Village Bhandara District. The objective of the NSS activity was to conduct a comprehensive survey of Rajani Village in the Bhandara District to assess the availability and accessibility of basic facilities for the residents. The survey aimed to identify areas of improvement and potential interventions to enhance the quality of life in the village.</p> <p>Activities Conducted:</p> <ol style="list-style-type: none">1. Preparatory Phase:<ul style="list-style-type: none">o Formation of NSS teams consisting of volunteers from Priyadarshini Bhagwati College of Engineering.o Training sessions conducted to familiarize volunteers with survey methodologies, questionnaire administration, and data collection techniques.2. Survey Execution:<ul style="list-style-type: none">o NSS volunteers conducted door-to-door surveys in Rajani Village to gather information directly from residents.o Questionnaires were designed to cover various aspects of basic facilities including water supply, sanitation, healthcare, education, electricity, roads, and communication.3. Data Collection and Analysis:<ul style="list-style-type: none">o Collected data was compiled and systematically analyzed to identify patterns, deficiencies, and areas requiring urgent attention.o Statistical tools and software were utilized for data analysis to ensure accuracy and reliability of the findings.4. Community Engagement:<ul style="list-style-type: none">o Interactions with local authorities, community leaders, and residents to understand their perspectives and concerns.

- Awareness campaigns conducted to educate villagers about their rights, entitlements, and government schemes related to basic amenities.

5. Report Preparation:

- Compilation of survey findings into a comprehensive report highlighting key observations, challenges, and recommendations.
- Report included graphical representations, tables, and charts for better visualization and understanding of data.

Outcomes:

- Identification of key challenges faced by residents of Rajani Village in accessing basic facilities.
- Recommendations provided to local authorities and relevant stakeholders for infrastructure development and service enhancement.
- Increased awareness among villagers about their entitlements and rights, empowering them to demand better services.

Finally, we are submitted one page report to sarpanch of Rajani Village. The Principal of Institute, Dr. N.K. Choudhari has appreciated efforts of NSS Cell and said student should be participated in such social activity.

NSS CELL ACTIVITY

Activity Name	Enrichment Program for Government School Students (Village Rajani Dist. Bhandara)
NSS Coordinator	Prof. D.B.Khadse
NSS Faculty Member	Prof.R.Bhoyar,Prof.Y.Malode,Ms.S.Raut
Date	20-03-2024
Time	11.00 am to 5.00 pm
No. of student attended	40
Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>The NSS Unit of Priyadarshini Bhagwati College of Engineering Nagpur organized an Enrichment Program for Government School Students at Rajani Village, Bhandara District on 20/03/24. The objective of the enrichment program was to provide academic support, skill development opportunities, and holistic development initiatives to students from government schools. A team of 10 NSS Cell students were a part of this enrichment program that interacted with the students of standard 6-10 and explained the concepts of Mathematics, English General Knowledge and extracurricular activity. The program aimed to bridge the gap in educational resources and empower students with essential skills for their personal and academic growth.</p> <p>Activities Conducted:</p> <ol style="list-style-type: none">1. Curriculum Support:<ul style="list-style-type: none">○ Conducting regular tutoring sessions to help students with their academic subjects, especially in areas where they face difficulties.○ Providing educational resources such as textbooks, stationery, and reference materials to enhance learning outcomes.2. Skill Development Workshops:<ul style="list-style-type: none">○ Organizing workshops on computer literacy, communication skills, and vocational training to equip students with practical skills for their future endeavors.○ Inviting experts from various fields to conduct interactive sessions and hands-on activities to facilitate learning and skill acquisition.3. Personality Development Sessions:<ul style="list-style-type: none">○ Arranging personality development sessions focusing on confidence-building, leadership skills, and public speaking to nurture students' overall growth and self-esteem.○ Organizing motivational talks and inspirational sessions to encourage students to pursue their dreams and aspirations.4. Health and Hygiene Awareness:

- Conducting awareness programs on personal hygiene, sanitation, and health-related issues to promote a healthy lifestyle among students.
- Distributing hygiene kits and organizing health check-up camps in collaboration with healthcare professionals to ensure the well-being of students.

Outcomes:

- Improved academic performance and confidence among students through regular tutoring and educational support.
- Acquisition of practical skills and competencies essential for future employment and higher education opportunities.
- Enhanced personal development and self-confidence through participation in personality development sessions and skill-building workshops.
- Increased awareness about health and hygiene practices leading to improved overall well-being among students.

The Principal of Institute, Dr. N.K. Choudhari has appreciated efforts of NSS Cell and said student should be participated in such social activity. It reflects the commitment of NSS towards community service and inclusive education, and it is hoped that such initiatives will continue to inspire and empower students to realize their full potential.
