NSS CELL ACTIVITY

Activity Name	International Yoga Day
NSS Coordinator	Prof. D.B. Khadse
NSS Co-coordinator	Dr. R. K. Bhoyar
Date	21-06-2025
Time	11.00 am to 12.00 pm
Activity Organized by	NSS CELL, PBCOE, Nagpur
Objective	To Encourage students to adopt yoga as a regular practice for maintaining physical health and fitness.
Summary of NSS Activity	<p>The National Service Scheme (NSS) unit of Priyadarshini Bhagwati College of Engineering (PBCOE) organized a yoga session for students and faculty members to celebrate International Yoga Day. During the event, Ms. Pooja Dhanwate, an ex-student from the CSE Department, conducted a practical demonstration of various yoga steps, which lasted for one and a half hours. Both students and faculty actively participated in the session.</p> <p>The activity was monitored by Mr. D.B. Khadse, NSS Cell In charge, along with NSS faculty members Dr. R.K. Bhoyar and Mr. Y.B. Malode. On this occasion, the Principal of PBCOE, Dr. A.M. Shende Sir, encouraged students to incorporate yoga into their daily routine, highlighting its benefits for managing stress and academic pressure effectively.</p>

NSS CELL ACTIVITY

Activity Name	Tree Plantation
NSS Coordinator	Prof. D.B. Khadse
Date	04-07-2025
Time	02.30 pm to 03.30 pm
Activity Organized by	NSS CELL, PBCOE, Nagpur
Objective	to promote environmental sustainability, create awareness about the importance of greenery, and foster a sense of responsibility among students and staff toward nature.
Summary of NSS Activity	<p>The National Service Scheme (NSS) Cell of Priyadarshini Bhagwati College of Engineering (PBCE) successfully organized a one-day Tree Plantation Activity on 4 July 2025 as part of its ongoing commitment to environmental sustainability and community service. The event was held under the theme "Let's Grow and Let's Make it Grow," aligning with the college's vision of fostering eco-consciousness among students and the local community.</p> <p>This activity was conducted in response to the increasing environmental challenges such as rising temperatures, air pollution, and deforestation in urban areas. The NSS Cell, under the guidance Principal, Dr.A.M. Shende, as part of the initiative, more than 50 saplings were planted on the campus and in the surrounding areas, with enthusiastic participation from students across all branches. The activity was monitored by Prof. D.B. Khadse, NSS Programme Officer, along with team members Dr. R.K. Bhojar and Mr. Y.B. Malode.</p> <p>This plantation drive aimed to promote greenery and environmental awareness, serving the dual purpose of educating and engaging students while contributing to nature's welfare</p>
